## UPTOWN DALLAS INC. Q3 RECAP

BEFORE

AFTER

Uptown Dallas Inc. works closely with property owners to assist in beautifying the neighborhood. As part of UDI's best practices, we love adding art to temporary boarded up windows. The former Gold's Gym space will be developed soon by Trammel Crow Co., but until the demolition, Uptown Dallas Inc. has commissioned Mariell Guzman to bring life to the otherwise dull corner of McKinney Avenue and Fairmount St.

FLOWERS

Uptown Dallas Inc. recently planted more than 14,000 fresh flowers throughout the medians to keep Uptown beautiful.

STOP SIGNS ADDED

Uptown Dallas Inc. and the City of Dallas joined forces to design and create a safer neighborhood. At this intersection of Blackburn and Travis Street in Uptown, new stop signs, along with street striping, help to slow and stop traffic for improved pedestrian safety.

HISTORICAL MARKERS

Uptown Dallas Inc. will be installing 3 new historical markers by the end of 2021. Over the years we have installed 11 historical markers throughout the district.

## PUBLIC SAFETY INFORMATION

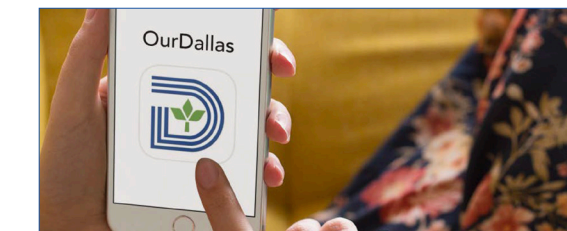

Uptown Dallas Inc. works closely with the Dallas Police Department, Code Compliance and other City of Dallas resources to improve public safety in the Uptown district. Additionally, we have hired an Uptown Security Patrol Team to monitor the district and work closely with DPD to help solve issues within our neighborhood.

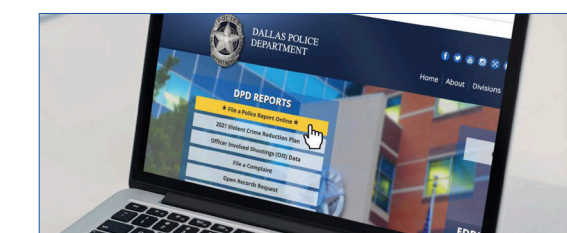

Together, here are 3 ways we can help make Uptown a more safe and secure district:

**Call 911** - See something, say something. Calling 911 alerts DPD to the area, but it also documents what crimes are occurring in the area.

**OurDallas** - (previously 311) - By using the OurDallas app on your phone or computer, you can submit a ticket directly to the City of Dallas.

**DallasPolice.net** - On the homepage of this website you can file a complaint that goes directly to the Dallas Police Department.

Email [publicsafety@uptowndallas.net](mailto:publicsafety@uptowndallas.net) - Uptown Dallas Inc. is here to help. Email us your suggestions and/or concerns regarding public safety within the Uptown neighborhood.
